I got married really young, and as time went on, I noticed he was much more sexually aroused and interested in sex. Then things went south and I split. Now I find out he's sent a private dick to find me. I think I'll stop running.

A photograph of a man and a woman in a sexual encounter. The man is shirtless and muscular, leaning over the woman. The woman is lying on her back, looking up at the man. She has long dark hair and is wearing a black bra. The background is a brick wall.

I'll admit I have a high sex drive. I told my husband that was the case when we got married. I was an animal on him for a year or so, but that wasn't enough. Now this private dick is in my pussy and I love it. He's big and hard and so is his dick. I should have left sooner.

Dear 40+:

You probably get all sorts of letters about hot sex, but I've just got to tell someone about mine. I have to write this quick because I'm at the office and gotta go soon, but before I forget it, I'm gonna do it.

Three months ago I got married for the third time. My new wife for the second. For the honeymoon, we hopped on a plane to Cabo with the excitement of a week of nothing but beach and sex before starting the rest of our lives together. We were too exhausted to fuck that first night but I had great expectations for the near future. The next morning I get up early with this raging hard on, but Sonya, my gorgeous new wife, was already up. She was wearing a baggy sweat suit and her hair pulled back. Maybe she thought that she still looked sexy even in sweats and with no makeup on. She was out on the veranda exercising and hurt herself! She came over to the bed with a puppy-dog look on her face; big sad eyes and hands on her hips.

I asked if she was okay and she said she needed to lay down because the pain was increasing. That's when my cock's brain took over and I told her that she looked great in sweats and she was turning me on. I sat up and grabbed her by the shoulders.

At first she pushed me away gently but firmly. "You must be really hard up if you think I'm sexy in my sweats," she said. I was just a little breathless and pulled the covers down to show her my erection. I slipped my hand under her top trying to squeeze her nipple. "Baby, my back hurts, I can't do this now!"

she complained, grabbing my hand and pulling it from her breast. I whimpered that this was our honeymoon and reminded her of all the fun, sexy things we said we were going to do. She said we would, right after her back got better, but now she had to stay down.

So that's the way it was for three days and I was going out of my mind. She spent every day in bed or on the veranda staring at the ocean. When I tried to get close to her, she always complained about her back and I went away frustrated. Okay, so the other morning she gave me a quick hand job because I whined and complained so much. After a few strokes, I exploded because I was so pent up, and that's why it was a quickie.

Now it's the fourth morning of our honeymoon, only two days left, and I'm desperate. So rather than mope, I ordered a couple bottles of champagne and we sat on the veranda drinking. After polishing off one bottle, she said she felt better and got up pulling me to the bedroom. When we got there, she took off her clothes and got into bed. I went to the bathroom to relieve myself and when I came out she was snoring – naked face down on the bed. I was incredulous and horny as hell.

So, I took some lotion from the bed stand and spread some on her butt cheeks working it into her crack and slipped a finger inside

her butt hole. Strangely she spread her legs, seemingly to give me better access. As my finger slid in and out, her hips moved encouraging me to go deeper.

I think she moaned in frustration when I pulled my finger out. I got up over her on the bed and put my cock in her butt and I could feel her hips rise up to meet it. I started slowly as not to wake her but my hormones kicked in and I started fucking her harder. Soft moaning sounds began to come out her mouth and her hips seemed to stay in my rhythm.

Then after one deep thrust, she seemed to awaken, looked back at me and gave me a sleepy smile. "Hi honey, happy honeymoon," she cooed. "Don't stop!" She worked herself onto her knees, offering her butt to my hot desire. I worked it some more as she reached between her legs and diddled herself into a screaming orgasm. Well as for me, I exploded my frustration deep into her butt and collapsed on top of her and quickly fell asleep. For the next two days we fucked every minute trying to catch up for the lost time. So in the end, (no pun intended) it turned out to be a great third honeymoon after all.

— Lawrence, D.C.

Dear editors:

Being a divorced father, it's hard to survive in the dating world. For the most part, I keep to myself. My name is Walter and I just got another erection. Oh yeah, that's just about all I think about. Women and sex. I have all the time in the world and none of the above. I tried bars, clubs, dating sites, the office pussy pool, and more. No luck anywhere for me and I can't figure out why.

After eight months I had to do something. Then kismet struck. I was in the supermarket, in the fruit and veggie section selecting some figs. Standing nearby was a pretty lady fingering or-

ganic tomatoes. She was looking kinda frustrated by the selection. Then right out of the blue, my mouth says, "Sometimes the good ones just aren't there." She looked over at me and gave me a quizzical smile. I quickly apologized for the double entendre – and she laughed.

I looked away and a moment later she said, "I've always wanted to try figs, but didn't have the courage. Aren't they kinda weird to eat?" I looked around to be sure she was talking to me, and then said, "Not if you eat them the right way." Again I blushed because of a second double. She laughed out loud that time.

I tried to recover, quickly by saying something even more arcane. "The best way to describe it that I know was in a scene in Ken Russell's 1969 film "Women in Love" where Alan Bates describes eating a fig like eating a..." I stopped myself before I said it. "A woman," she said. Once again I blushed and turned shy.

"Oh, that's okay," she said. "I'm, a huge Ken Russell fan. I'm surprised I didn't think of that before I asked. Hi, I'm Melody," she said introducing herself. "Nice to meet you. I'm Walter." Spotting an in-store coffee shop over her shoulder, again my mouth took over. "Could I interest you in a cup of coffee and we could discuss his films. I too am a huge fan.

"That'd be nice," she said. Cut to two hours

Anita: (chuckles) Well thanks, I think. I have been keeping myself pretty busy. The scenes I've been doing are, I think, some of the best I've ever done.

40+: Why is that?

Anita: I thought about that one night and I think that I'm finally comfortable in my skin and in what I do. I'm relaxed and try to let nothing get to me.

40+: When did that light turn on?

Anita: It was over a glass of shiraz.

40+: Nice. Go on.

Anita: I was thinking back to the last few scenes I had done a couple

later, and not to bore you with film trivia. Melody is now at my flat and sitting on my sofa as I bring in a couple glasses of wine. We share an awkward kiss and my mouth starts to talk again. "Shut up," she shushes me and starts kissing me more intently this time using her tongue, swirling it around mine and sucking on my tongue gently and lovingly. I became more bold and reached under her t-shirt and began massaging her left breast.

Not pushing me away, I became more confident and gently pinched her nipple between my index and thumb as she purred to the touch. I took off her top and grabbed her exposed breasts. She took off my shirt and I unzipped her pants and

a thick and tangy liquid from her pussy and I lapped it all up with my tongue then sucked her pussy clean. After that, her body stopped shaking and settled down from her orgasm.

She kissed me once more, then held my hips as she slowly licked her way down to my member. She stared at it somewhat inquisitively then slowly grabbed it causing it to throb harder. She started pumping my shaft as before, although this time she had her soft luscious lips around my cock head and she sucked the skin over the head she was sucking so hard.

She would let her lips slide down it and then applied suction as she moved her lips upwards. I was amazed at the

feeling I was getting. It was heaven, this being my first blow job in months. She picked up speed, then I closed my eyes hard and tensed my whole body up until I exploded my first rope of thick, hot cum into her mouth. I unloaded what seemed like a pint of splodge into her mouth and she swallows it all. I got up and went to the kitchen and brought back some figs. I took one, held it out, smiled, looked at her and said, "This is how you eat one..."

— Walter, Boston

of weeks ago. I wondered why I liked it so much and I thought more about the time off set than on set. That's when I realized I was calm and just waited for my call. Before, I would be all nervous and anxious. Not now.

40+: *Is that now your new mantra?*

Anita: No, but I should think about making it so. I love sex too much to get so nervous about it. I'm glad I finally had that realization. I feel great now!

pulled them off. I kissed from her neck to her chest to her stomach to her lady mound of perfectly coiffed pubic hair.

I gently licked her pussy through her thong, then lifted her legs and pulled it off revealing her lady treasure. I lock her thighs around my head as I slowly take my first lick on her bare pussy. I made a few licks on her labia, then spread them apart with my fingers and licked her pussy. She held tight onto my head and pulled my hair as I tongue-fucked her to a mini-orgasm. She leaked

DRUUNA & TREVOR

It's been two weeks since my 40th birthday and I'm still waiting for my present. I can be very affectionate to a man that gives me a little something for my attention and affection. I don't really want much, just a little bangle to show your appreciation.

A woman with dark hair and heavy eye makeup is shown from the chest up, performing oral sex on a man's penis. She is looking up at the camera with an open mouth and a suggestive expression. The man's legs and feet are visible in the foreground, with one foot resting on the woman's shoulder. The background is slightly out of focus, showing a green plant and a light-colored wall.

Trevor brought me a nice little thing this morning and just look at what I'm doing for him. Yes, it is something special because all the sex I give is something special. I can be yours, too, taking that last load right into my big, beautiful, waiting mouth. Yummy.

BLONDIE & JUAN

Ever since I first took a cock in my mouth, I was all in. Now, it's something I want all the time. Even in my private moments, I'll pretend with my fingers or a dildo, but to have a real man's cock in me, is hot, hot, hot! Join me as I do it again.

I like men and that's why I married one, but you really caught my eye. You look like you really like sex or you wouldn't be looking at me right now. And I like a man who likes sex. I'd like you to know that every hole in my body yearns for a man that know what to do with it and knows what I like. You look like that kind of man.

Maria and Mimi or i love my job

I work for a major automobile after market company in a Sacramento suburb running the Inventory Department. I run it with a bit on an iron hand because it's a very stressful position and we have very demanding clients and deadlines. I have to work closely with the suppliers on one end and the retailers on the other end.

We have some young people working here and that makes for more mistakes than I can tolerate at times. There are also some hotties that I like to pay more attention to. When I can, I keep them in line with my dick. Yeah, I'll admit I dip into the office pool, and they're dipping back. I don't coerce anyone or use my power, I just am an aggressive horn dog that seeks out others of the opposite sex.

Maria is one of my little honeys. She's been working here about four months and I just got to her so our trysts are pretty hot. We keep it discreet, playing around after hours and only in my office that has no windows and is soundproof because of all the noise the warehouse people make. The other day we were working late, and I dismissed everyone about eight in the evening. Then I told them to be here at six the next morning.

Maria was standing at my doorway and the sight of her in made my cock come to life. She was looking hot in her white tank top and designer jeans. The top contrasted nicely against her tanned skin and it pulled tight around her ample chest (my guess is about a 38C). She looked me in the eye across the room and closed the door behind her. "Lock it." I said.

She was horny as I took her straight to my desk and pushed her down on it. I pulled her pants off and she pulled up her top. I dropped my pants and my cock was already sniffing out her pussy. Maria's pussy was burning hot and the scent alone almost made me cum. She leaned back on my desk, pulled her legs up and spread her knees as I stood over her and plunged my cock into her sweet honey pie. That's one of the things I like about Maria, no messing around, she wants it in quickly as much as I want to put it in her. She likes it hard and she gives back just as hard.

I pounded away in her and she let out no more than a little squeal taking my full length as I pumped it hard. She took every stroke and pushed her pussy hard back against me. After ten minutes of continuous thrusting, I pulled out and flipped her

over. Her feet settled onto the floor and she laid her chest down on the desk. I kicked her legs farther apart and settled in behind her. I started prying her ass cheeks apart. My fingers went into her pussy to get lubricated and then one found it's way into her anus. I loosened that back hole up for a minute or two then positioned my cock right over it and rammed it into her ass. Maria screamed softly but then reached behind, grabbed my butt cheeks, and pulled my deeper into her butt hole. I took my time with both long and short

rather quickly and smoothly until lunch when Maria found her way over to my desk. I was glad I didn't have to call her and got up to go lock the door. Suddenly the phone rang and I headed back to answer it. I sat on the edge of the desk and Maria unbuckled my pants, pulled down the zipper and pulled out my cock as I talked on the phone.

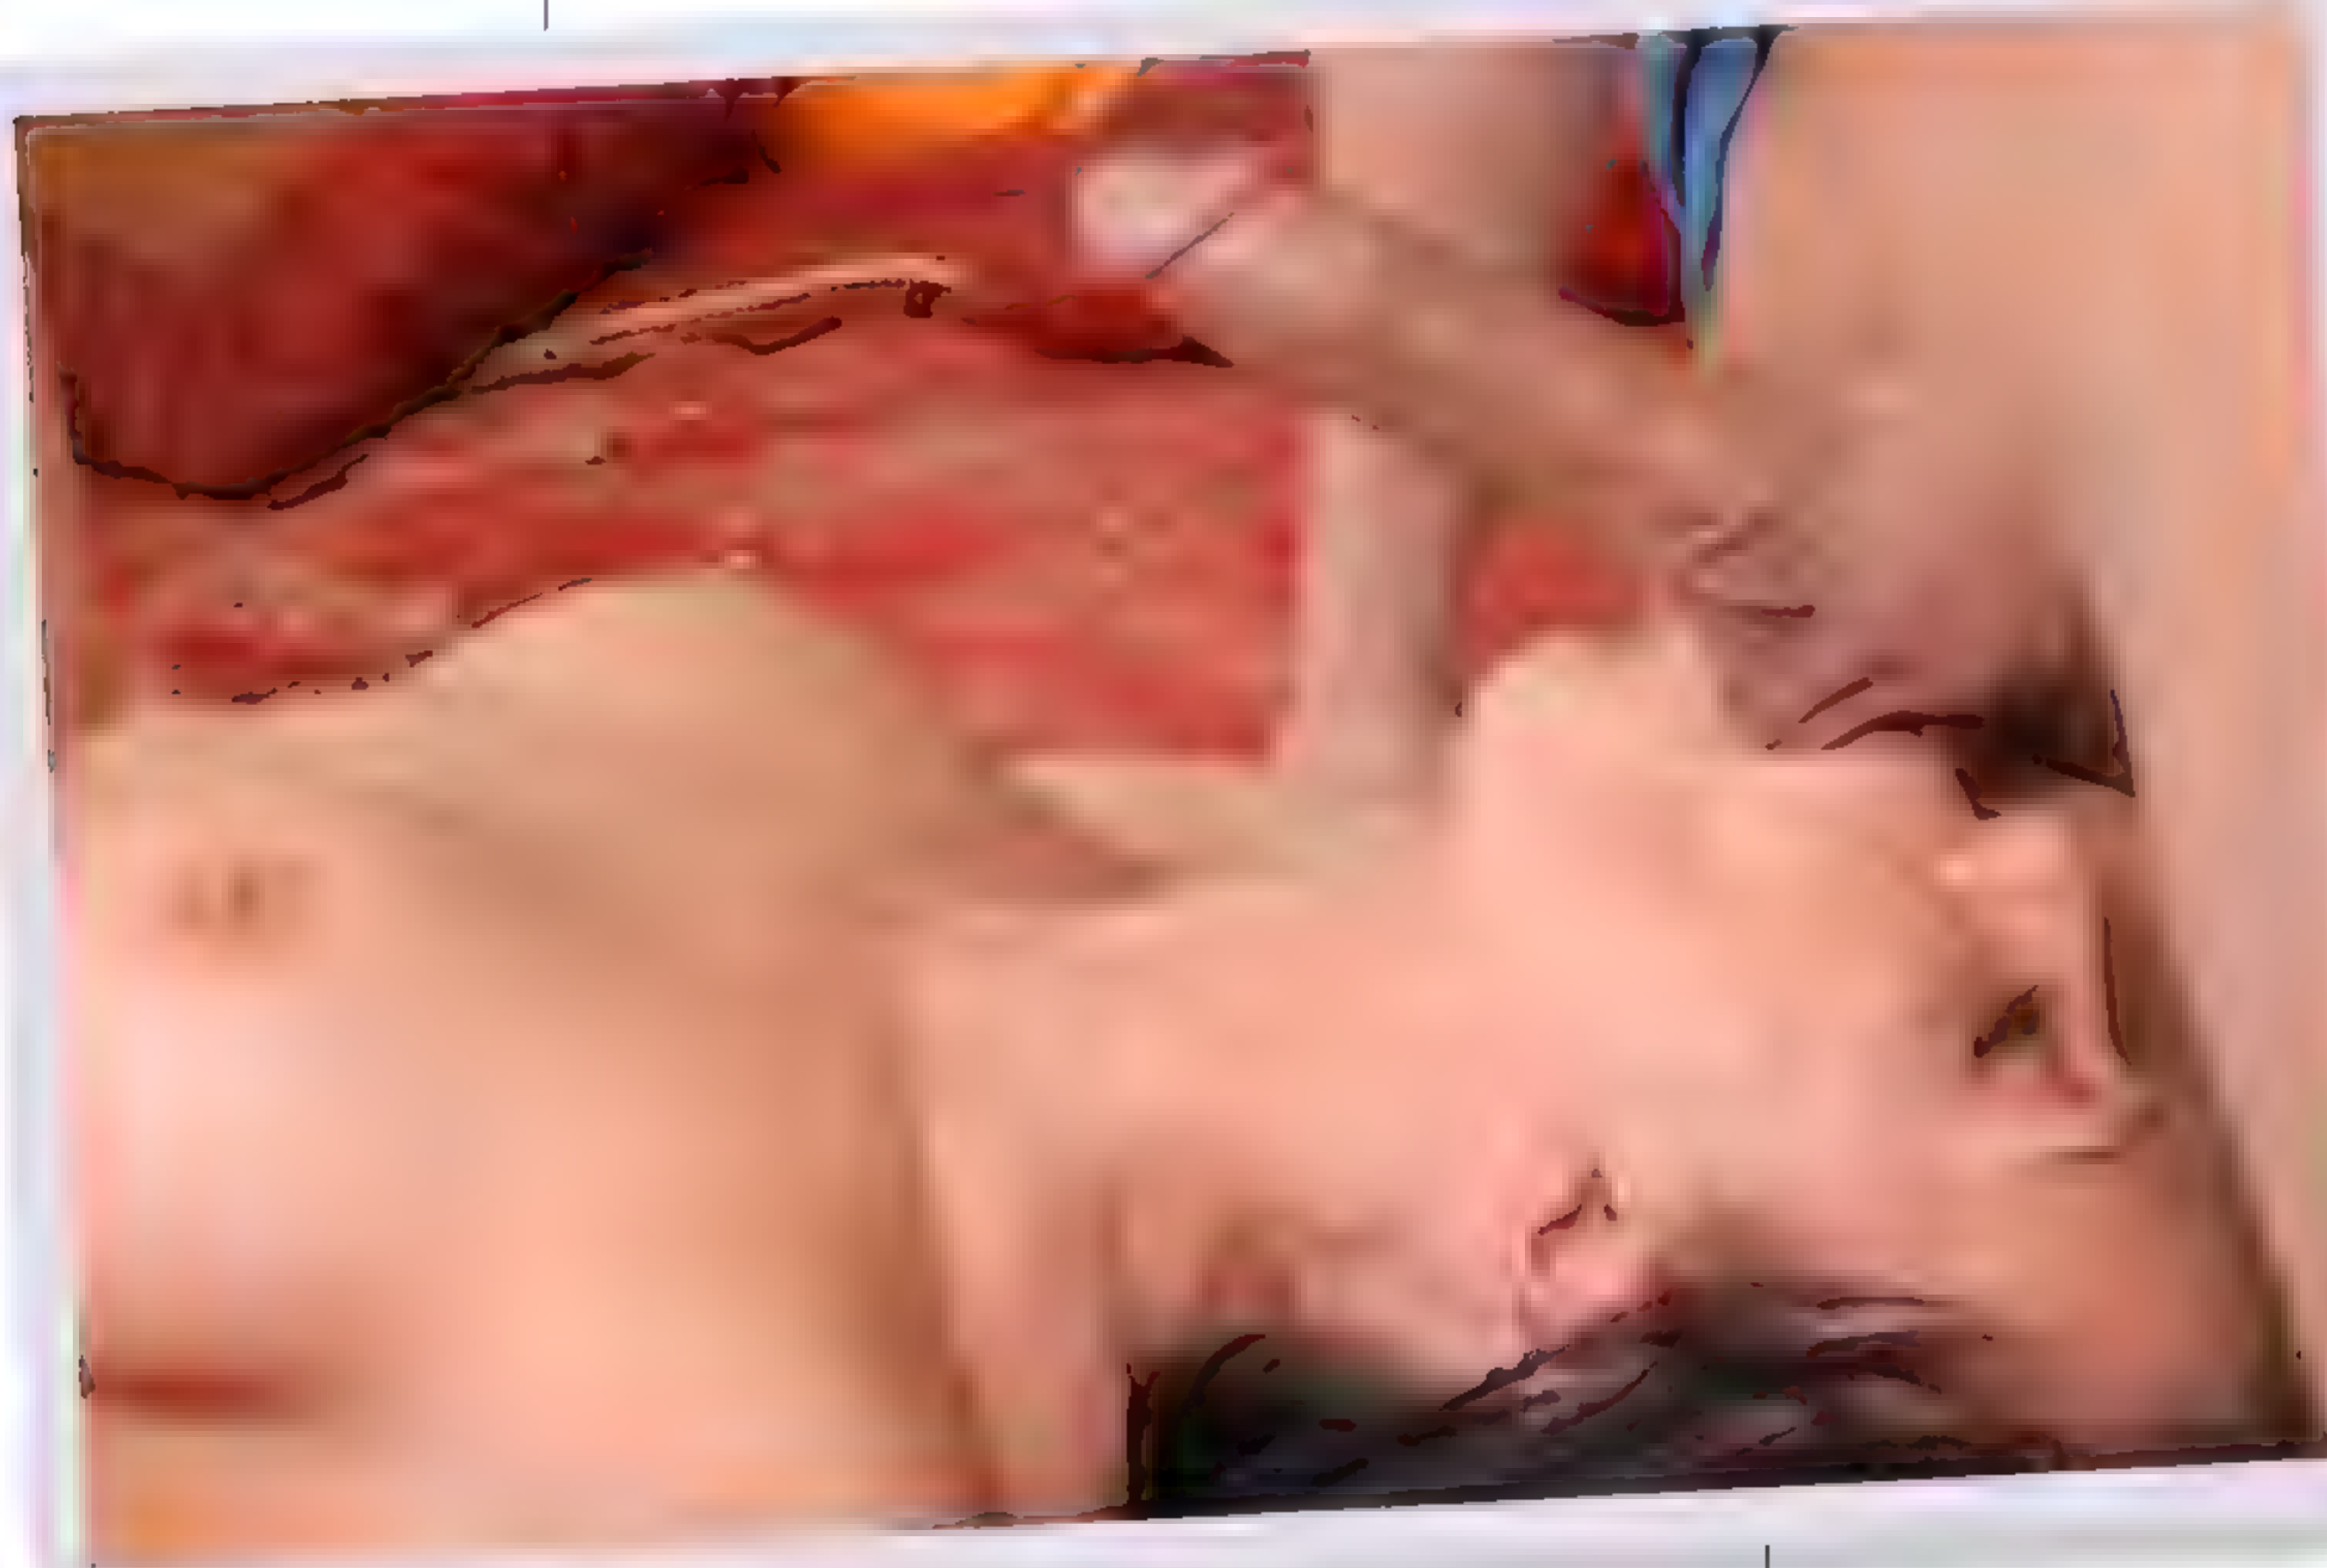

Maria looked at my cock and fell to her knees wrapping her tongue around my cock, licking the sides and bottom of it. I tried not to make the wrong noises as the call was ending and her mouth was working harder. I hung up the phone and let her continue licking and sucking me and eventually she noticed that despite how hard I was she was getting nowhere. Changing tactics, she then slobbered over my cock and took it deeper into her mouth then further into her throat. I put my

thrusts making her grunt every time I pushed into her. With a few balls-deep thrusts, I exploded a gallon of jizz into her ass. She gasped in surprise at the volume of cum in her ass and warmed her whole rectum. When I pulled out, the sticky white spew dripped down her inner thighs past her sneakers onto my floor. I'll clean it up later, I thought.

"Okay baby, time to go home, I'll see you bright and early tomorrow." I said. Maria got dressed and left without a word or even a glance back. The next morning passed

hands behind her head, grabbed her hair and started to fuck her face. Mindless of the noises we made, I continued until we were interrupted.

Three soft knocks and Mimi pushed my door open holding a bunch of papers. My cute blonde inventory control girl entered the room blocking the doorway and studied the room. She fixated on my cock and then at Maria who abruptly stood up leaving my monster hard and hanging out of my pants and wiping her mouth. "Am I interrupting something?" said Mimi coyly. "Was there

something you wanted?" I snapped back. Then to my surprise Mimi walks over to the desk, slaps the papers down on it and grabs my throbbing cock. "This!!!"

She looked at me and drops down to her knees as she looked up at me eye to eye. Maria watched as I shoved my cock straight in to Mimi's throat and fucked it. She got into a rhythm as if she had been blowing me for hours. Pulling her up, I grabbed the back of her neck and bent her forward on her knees as I came around behind her. I leaned over to her ear and whispered "I want your pussy now." Maria leaned back on the desk next to me watching the action and stroking my cock as Mimi pulled her pants and panties off and got back down on her knees.

I dropped to my knees behind Mimi and looked at the heavenly landscape in front of my straining cock. Viewed from behind it was spectacular how her back strained to hold up her body. I pointed my cock at her now wet pussy and began rubbing it into the underside of her pussy bringing out a low moan. Mimi's pussy made a wet slapping sound as I hit her with it and she pushed back into me seeking out my mighty meat man missile.

Realizing that the door was not locked, I motioned to Maria to go lock it, which she did obediently. Without a word I plunged my cock into her pussy as Mimi gasped as she felt me hit her inner wall. She pushed back feeling me deep in her and I pushed into her, then pulled it all the way back and then back in with long deep strokes. Keeping my cock thrusting into her inner hole, we built up a harder and harsher rhythm that sent this woman's cheeks colliding into each other as they jiggled with each push against them.

I looked over the desk at Maria and I see her breasts out and she's fingering herself as I was fucking Mimi. She continued to masturbate frantically. I stood up and noticed Maria eyeing my still hard cock. She got out of the chair and came around the desk and pushed me back onto it and knelt down to take it in her mouth as I tried to catch my breath. I looked down at her as she sucked my cock as never before. I didn't know

if it was the sex scene that unfolded before her or it was the taste of Mimi's and my cum pungent on my cock. The trickle left in my balls was barely enough to satisfy her as she sucked another itty bitty load out of my overworked cock. After I came, Maria stood up, straightened herself out and headed out of my office.

Mimi finally stood up, pulled on her pants and rather politely asked my to sign some papers as she tried to straighten out her hair. The rest of the day was pretty slow around the warehouse and I was pretty exhausted. I told the crew that they could go home early today. We'd pick up where we left off tomorrow. Then as for me, I'll pick it up in another day or so, along with Maria and Mimi.

Maria leaned back on the desk next to me watching the action and stroking my cock as Mimi pulled her pants and panties off and got back down on her knees.

JUSTINE & FRIENDS

Justine has always admitted to being a sexual animal. When asked what she wanted for her 40th birthday, she said 'two anonymous big and ultra-hard cocks that I can suck and fuck.' We love birthdays and found a couple friends that do too. Enjoy...

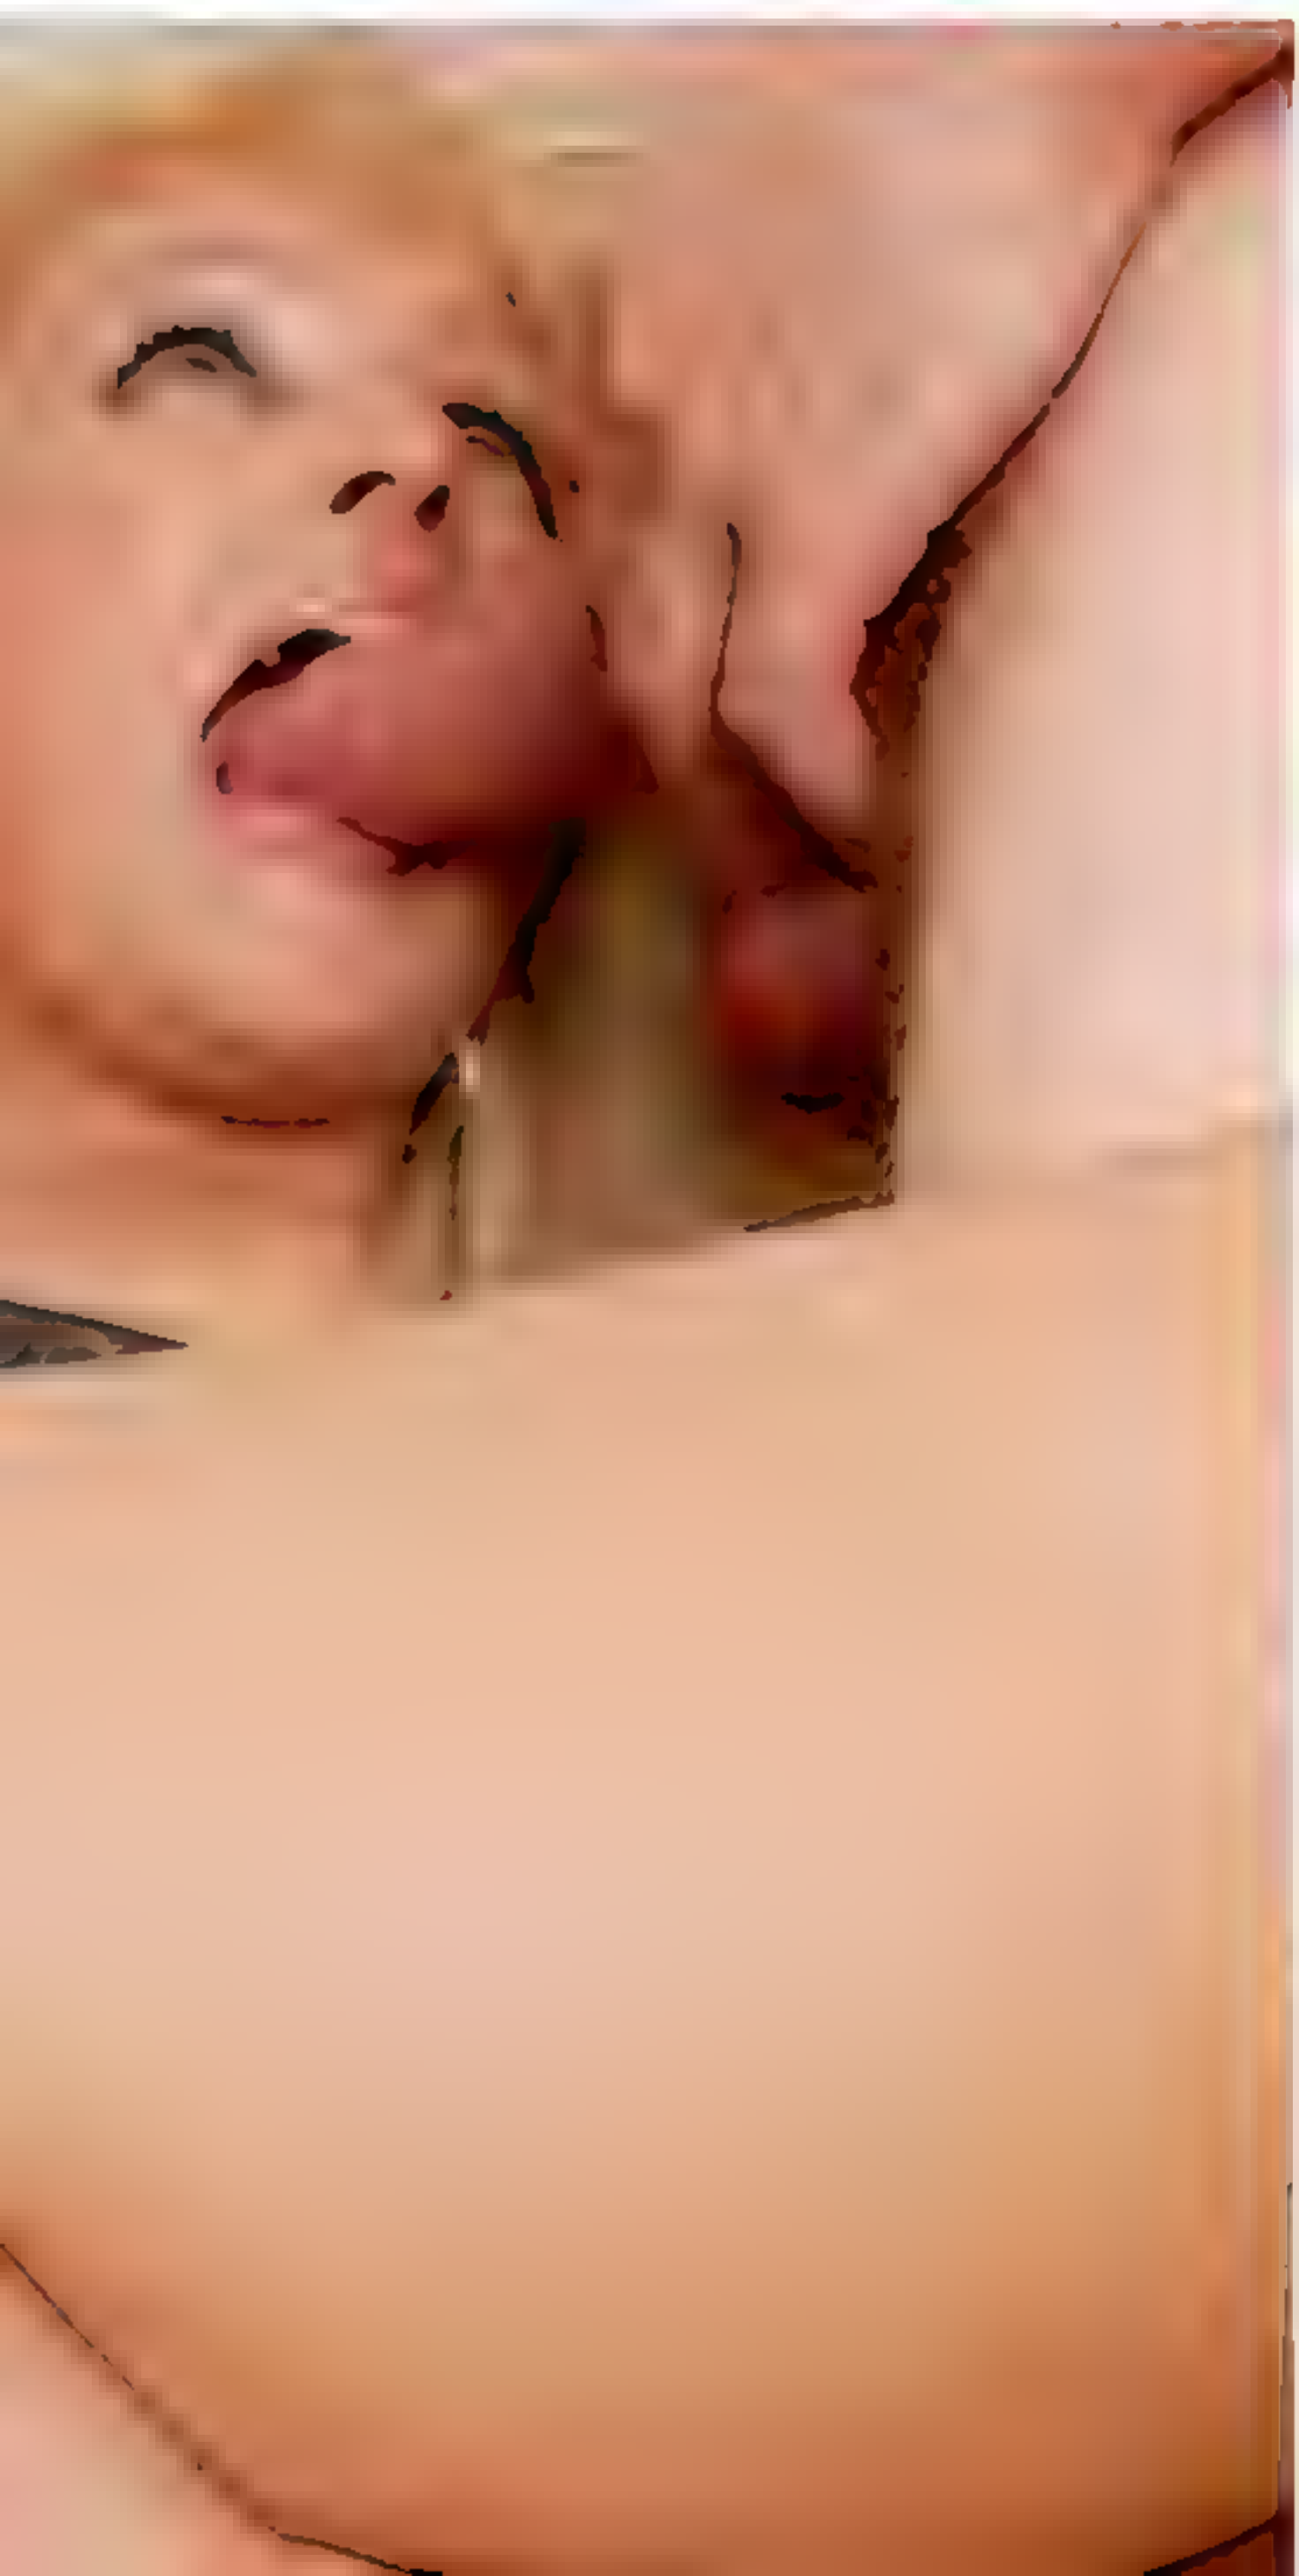

"My birthday fuck is online right now. Get the code and get some tissue. You're going to need it as you watch me do these two guys. I'm so horny right now I may just not wait for you. Well, I can wait for you, but I don't know if my two friends can. They're very anxious to cum."
